Railroud bonds have been strong for a majority of issues traded in, with distributed business stock. The market was heavy at the opening this morning, both bulls and bears selling, the former to realize profits, and early dealings were accompanied by a decline of ½ to ½ per cent. This was followed by a moderate reaction, and for the first hour the market became very dull and fluctuations were limited to a narrow range, but a tendency was toward lower quotations until after one o'clock. A little more life was then accompanied by a show of strength, a portion of which was lost later in the day, and the market flasily closed firr gular, at prices which are from ½ to 1½ per cent, lower than the final quotations yesserday. PEMOVE ALL KINDS OF WORMS (WILL not remove the head of the Tapeworm) without the sid of otier remedies. They act as a mild cathartic, and are useful in regurating the bowels, for costiveness, indigestions our or weak stomach. The symptoms of stomach worms are: Foul tongue, eyes heavy and expressionless, dry, hacking cough, sallow complexion, dark and blue circles around the eyes, foul and disagreeable breath. constant picking of the nose, grinding of the teeth, and starting up with terror and fright during sleep, at times very feverish accompanied with great thirst, he cheeks flushed and then again as pale as death and white around the mouth, the belly hard and swollen, short, cramping pains in the stomach. These worms sometimes knot up in the throat, causing death by strangulation. The symptoms of Ascarides generally called seat, or pin worms, are noticed by an itching sensation of the lower end of the bowels or rectum. There are other kinds of worms that inhabit the human system, but their symptoms are similar to those above mentioned. Persons can be sure when their children have the above symptoms that the LUGGG'S WORM WAPERS will be sure when their children

Two Hundred Now in Use. What a few well known citizens (among many who testify to its merits) say about it:

From the KIMBALL MANSION (Mr. A. Hart, proprietor), one of the largest and leading boarding houses of Los Angeles:

"The Oil Burner you put in my range gives perfect satisfaction. It can be run at just half the cost of either wood or coal. The coal was costing me one dollar per day, and the oil is costing only fify cents. It will produce a stronger heat than wood or coal, and the heat can be kept constantly at any point desired. The cook says for pastry cooking it excels anything she ever used."

excels anything she ever used."

From MitTON SANTEE, member of City Council:

"I use the Edwards Oil Burner about six hours as day on an average. It has given us good satisfaction for heating and cooking and we like it better than coal or wood, being clean and easily regulated. We have had no accident or explosion and consider it perfectly safe. The expense is about one-half less than wood for same service."
